This is only an example on how to accomplish the curriculum for an individual PhD. The composition of classes, courses, lecture series, meetings, workshops, etc. should be individually tailored to each student's needs.

You have to obtain at least 30 ECTS:

- 17 ECTS methods
- 5 ECTS skills
- 8 ECTS conferences

More information about which activities can be part of your curriculum and the amount of ECTS points granted is available on our website: [https://www.en.mmrs.med.uni-muenchen.de/promotionsmoeglichkeiten\\_en/phd\\_en/curriculum1\\_en/index.html](https://www.en.mmrs.med.uni-muenchen.de/promotionsmoeglichkeiten_en/phd_en/curriculum1_en/index.html)
