Name and institution of the 3rd TAC member

and

Name of the doctoral candidate

The topic of the doctoral research project is:

In accordance with § 9 of the Examination Regulations, a target agreement must be signed between the Thesis Advisory Committee and the doctoral candidate. The target agreement is a mandatory part of the structured doctoral degree and must be signed the very latest **two months after the successful registration of the doctoral research project**. The agreement is based on the abstract submitted for registration of the project and contains the activities which are to be completed during the doctoral process (project goal, milestones, additional required qualifications), as well as the required training program (at least 60 hours, of which at least 25 hours are to be completed in interdisciplinary courses and at least 35 hours are to be completed in research project-related courses).

As research projects are naturally subject to change over the course of time, potentially occurring changes can be documented in a target amendment.

The target agreement – as well as potential target amendments – must be signed by all members of the Thesis Advisory Committee, as well as by the doctoral candidate.

The required training program and the full-time research periods are documented in the log book.

Timeframe of the planned 8 months of full-time research (Dr. med. / Dr. med. dent.) or the 2-year minimum research period (Dr. rer. biol. hum.):

Expected begin (dd.mm.yyyy): _____

Estimated end (dd.mm.yyyy): _____
