**Application for Admission to the Predoctoral Examination  
for Dr. rer. biol. hum.**

Name \_\_\_\_\_ Maiden name \_\_\_\_\_ First name(s) – please underline name used \_\_\_\_\_

Place of birth \_\_\_\_\_ Date of birth \_\_\_\_\_ Nationality \_\_\_\_\_

Address \_\_\_\_\_

Telephon number \_\_\_\_\_ Email address \_\_\_\_\_

I hereby apply for admission to the predoctoral examination.

Degree course \_\_\_\_\_

Diploma / Master degree / state examination at the faculty of ... at the university / university of applied science of \_\_\_\_\_

successfully completed on \_\_\_\_\_ with the final grade \_\_\_\_\_

Employed as \_\_\_\_\_ at \_\_\_\_\_

Scientific or clinical institution of the Medical Faculty of the LMU Munich \_\_\_\_\_

since / from \_\_\_\_\_ to \_\_\_\_\_ in full-time / part-time.

My scientific area of research, from which the topic of the thesis will be chosen, is:

Subject area

In agreement with / without agreement of the lecturer with whom I am / have been working at the Medical Faculty of the LMU Munich and in accordance with § 2 Paragraph 1 Nr. 12 of the Examination Regulations, I suggest the following examiners:

---

Main examiner: Title, first name, surname, institute/clinic

---

1. co-examiner: Title, first name, surname, institute/clinic

---

2. co-examiner: Title, first name, surname, institute/clinic

I am aware that the aim of the pre-doctoral examination is to demonstrate the applicant's scientific relationship to medicine and that the examiners are to be determined from within the pool of lecturers at the Medical Faculty and in accordance with Art. 62 Paragraph 1 Sentence 2 BayHSchG, in conjunction with the *Hochschulprüfverordnung* in the currently effective version. Upon assignment of the above suggested examiners, I relinquish my right to a hearing as stipulated § 13 Paragraph 1 Sentence 5 of the Doctoral Examination Regulations.

As **graduate of a university of applied science** with a diploma examination, I take the liberty to name three subjects in which I have obtained profound knowledge during the course of two semesters in human medicine (please tick appropriate boxes):

- |  |  |
|--|--|
| <input type="checkbox"/> Anatomy                                     | <input type="checkbox"/> Microbiology and Hygiene    |
| <input type="checkbox"/> Biochemistry, Cellbiology, Molecularbiology | <input type="checkbox"/> Pharmacology and Toxicology |
| <input type="checkbox"/> Pathology                                   | <input type="checkbox"/> Clinical Chemistry          |
| <input type="checkbox"/> Neuropathology                              | <input type="checkbox"/> Immunology                  |
| <input type="checkbox"/> Epidemiology                                | <input type="checkbox"/> Medical Psychology          |
| <input type="checkbox"/> Statistics                                  | <input type="checkbox"/> Forensic Medicine           |
| <input type="checkbox"/> Physiology                                  | <input type="checkbox"/> Occupational Medicine       |
| <input type="checkbox"/> Human Genetics                              | <input type="checkbox"/> Dental Material Science     |

I am aware that, in accordance with § 2 Paragraph 1 Sentence 2 Nr. 12, the three chosen subjects, as well as my employment are to be considered when the topics of the pre-doctoral examination are determined.

The following documents are attached to this application:

- A tabular, signed CV
- A certified copy of the obtained diploma **or** an equivalent degree (i.e. Master) **or** a certified copy of the certificate on the successfully completed veterinary examination, first state examination for law, first state examination for food chemistry or the pharmaceutical examination (§ 2 Nr. 11 Doctoral Examination Regulations) **or** a certified copy of the diploma or Master degree in a subject-related course from a university of applied sciences with a final grade of at least "very good" (up to an including 1,5 § 2 Paragraph 14 Doctoral Examination Regulations). In the case of a degree obtained abroad, the original certificate must be handed in with an official translation (§ 2 Paragraph 2 Sentence 2 Doctoral Examination Regulations).
- Confirmation that the required minimum two-year employment at a scientific or clinical institution of the Medical Faculty, under supervision of a habilitated member, has been completed or has commenced.
